Dr. Margaret Chan  
Director-General  
World Health Organization

Dear Dr. Chan:

Thank you for the invitation to join the Sixty-eighth World Health Assembly in Geneva starting May 18, 2015. It is my honor as representative of the Global Health Council Delegation to present the Global Health Council Delegation members.

Our Delegation comprises self-nominated members and Global Health Council staff who have been briefed on the Executive Board's agenda for the World Health Assembly and the information and details for nongovernmental delegation participants.

We look forward to the proceedings and thank you again for the opportunity.

Sincerely,
